

ECHO CONSIGNMENTS

CONSIGNMENT CONTRACT

CONSIGNMENT # _____

- 1) An appointment is required for the initial consignment. After establishing an account a consignor has two options for subsequent consignments:
Appointment- 30 item limit; any articles not accepted will be returned immediately to consignor. This is the only way to consign toys or anything other than clothing. No recalled items please!
Drop-off- no limit but must be placed in storage bin clearly marked with consignment information; clothing items only. Articles not accepted for consignment will be donated to charity.
- 2) Echo Consignments will accept in-style items in EXCELLENT condition only. Echo Consignments reserves the right to reject any articles considered unsalable for any reason. All clothing must be clean, on hangers, and smoke, pet hair and wrinkle free. No pins please.
- 3) The sale price for all items will be determined by Echo Consignments. The consignor receives 40% of the selling price (before tax) for each item. Items accepted for consignment will remain for sale for a total of 90 days. Echo Consignments reserves the right to reduce the selling price at any time. Any items left after 90 days will become the property of Echo Consignments and may be donated to charity without notification to consignor or liability to Echo Consignments. Consignors wishing to reclaim unsold items must do so within 90 days of consignment.
- 4) Consignment checks will be cut every other month- January, March, May, July, September, and November and available for pick-up after the 15th of the month. Checks must be picked up within six months or there will be a \$5.00 fee to re-process. Any funds below \$5 will be rolled over to the next time period. There will be a monthly \$2 fee for all consignors to have access to online review of their sales if they have any items consigned during that month.
- 5) Although every effort is made to exercise reasonable care of items accepted by Echo Consignments, everything is left at the consignor's risk. Echo Consignments is not responsible for loss or damage of any consigned items.
- 6) Consignment prices are based on what the market will bear. If you are attached to your items consigning may not be a good choice for you. We want to sell your item for as much as possible too but have a better understanding of our market and acceptable sales prices.
- 7) I have read and understand the above agreement and accept the terms therein. I will hold Echo Consignments harmless from the responsibility of any loss or damage to any articles received by Echo Consignments. I understand that Echo Consignments may modify this agreement at any time without prior notification.
